# Easter Bunny Bunting

How to make quick & easy paper bunting

1. Using scissors cut out the paper template
2. Draw around the template on your chosen paper and cut along the line
3. Decorate however you'd like! Why not try adding fluffy pom-poms for bunny tails?
4. Hole punch at the top of each bunny ear, thread some ribbon or string through the holes and you are finished!

and a bonus template for mini bunting!
